1. Subgroup activities
 1. GDP
 2. Audits to IT

3. Proposals for renewal of inspection management software
 1. Financing modalities: request for a one-off contribution to member companies or an increase in the membership fee

2. Collaboration with Makinglife (possibility of self-financing for purchase of new software?)
3. Upcoming training activities:
 1. start of collaboration with Ellab
 2. planning course for using software for new users

3. Renewal of GIF management 2024

1. Possible new nominations

2. Any other business

To connect to the meeting remotely, you need to go to the AFI website under Calendar of Activities, <https://www.afiscientifica.it/attivita-afi/>, and click on the meeting, starting 15 minutes before it starts.

Remote participation is only possible for members of the AFI Quality and Suppliers study group; those who have not yet done so can register in their reserved area of the AFI website, in the MEMBERSHIP-USER AREA STUDY GROUPS section.
